AN HUNDRED YEARS OLD

THE BLUES COMPLETE THEIR AN-NIVERSARY CELEBRATION.

The Company, the Association and a Large Number of Citizens Spend a Delightful Day at Blandon Park.

The Richmond Light Infantry Blues completed the celebration commemorating their one hundredth anniversary yesterday. The organization is almost as old as the United States Government, and the members of the company and Association did honor to the occasion in a highly appropriate manner.

At 6 o'clock in the morning the second platoon of the Richmond Howitzers fired a salute on the Square in honor of the event. Lieutenant Thomas H. Starke was in command, and the boom of the cannon awoke hundreds of sleeping citizens to remind them that the time-honored Blues had stood the storm of time for a continuous and ware still one nonored Blues had stood the storm of time for a century, and were still one of the crack companies of the South. The soldiers received an ovation when they passed the residences of Mayor Ellyson, Mrs. William C. Mayo and C. C. McPhall, each of which was decorated in honor of the occasion. In front of No. 106 east Main street a hait was made, and, the roll being called, Private Welbon, who is confined to his name from the window.

About 12 o'clock everybody was comfortably settled at Blandon Park. It was an ideal spring day, and all nature seemed to smile on the folly soldier lads as they proceeded to have a joyous time of it. Off with the dress uniforms, on with the fatigue suits, and the cranks were soon yelling at the tops of their voices at the numerous and glaring errors of the Association team as the soldier bays trotted around the bases and piled
